## NOTICE OF PATRONAGE CAPITAL ALLOCATION

THIS IS NOT A BILL

### THIS IS NOT A CASH CREDIT AND CANNOT BE APPLIED ON ELECTRIC BILLS

This is a statement of capital credited to your account for the year shown. In compliance with the Bylaws of Grundy Electric Cooperative, Inc., any payment for energy in excess of the operating cost each year is credited to your account. The board of directors may authorize retirement of these capital credits, subject to the financial condition of the cooperative and as directed by the Bylaws.

If you disconnect your account and move from the GEC service territory, please call the office and let us know your new address. It is important to keep your address current in our files so we may notify you in the event of a general retirement of capital credits.

Pursuant to the Bylaws, any member who fails to claim capital credits within two (2) years after payment has been made available to such person, shall have made an irrevocable assignment and gift to the Cooperative of such unclaimed money. The unclaimed amount will be treated as donated capital of the Cooperative.
