Grundy Electric Cooperative Refunds over \$201,000 in Capital Credits

Trenton, Missouri, September 18, 2017 – During the July 28, 2017 board meeting, Grundy Electric Cooperative’s Board of Directors authorized the distribution of \$201,363.96 in capital credits to member-owners. The current members and past members will receive 25% of 1984 and 25% of 2016 allocated capital credits.

The capital credit refund checks will be presented to member-owners during the Cooperative’s open house celebration of “Cooperative Month” scheduled for October 23 in Bethany, October 24 in Princeton and October 25 in Trenton. The remaining checks will be mailed to those members who are unable to attend the event.

Grundy Electric began returning capital credits as part of a general retirement in 1990. GEC has to date refunded over \$7.9 million in capital credit allocations to current and past members.

Capital credits are just another benefit of being a member-owner of Grundy Electric Cooperative!
